Supporting Larkin Farm at

MEMBERSHIP APPLICATION FORM

Please note that unless you request a specific start date (in Section 4 below), we will look to start membership at the beginning of each Spring, Summer and Autumn Term to ease administration of the scheme. We will, however, happily accept applications and payment for membership at any time in the year and add to our records ready for the next term.

For membership to commence we require upfront payment of the annual amount for your chosen animal. Adoption of the larger farm animals is priced at £25 per annum, smaller farm animals at £15 per annum. The price for each animal is confirmed on the attached "Choice of Adoption" sheets.

Unfortunately, we are unable to offer adoption of our donkeys and larger goats as these animals are not owned by Larkin Farm.

Please note that the details requested below are collected and held for the purposes of administration of the Larkin Farm Adopt an Animal Scheme only.

If any details are not applicable or you do not wish to disclose date of birth, for example, please indicate on this form.

Note that we will not be able to send a birthday card from your chosen animal to the Adopter if their date of birth is not available.
