

## P.E. and School Sport Grant – 2017/18

The allocation for Abbey Court for 2017/18 is £8,280 in total (payable in 2 parts; 7/12's (£4,830) in October 2017 and 5/12's (£3,450) in April 2018). This income continues to help fund a specialist PE Teacher, appointed in September 2013. The additional funding for this appointment has been allocated from the school budget and enables the school to enhance PE across the full age range.

### Pupil progress in PE – 'P' Level / NC Levels

All pupils have individual PE 'P' Level or National Curriculum targets. These are set at the start of the academic year and pupil progress meetings 3 times per year check on the progress with these targets. If there is a 'dip' in the perceived progress of a pupil with their target, then interventions/support will be agreed to get them back on track.
