

FE

Pupil

Voice

Tuesday

25th

Februaru

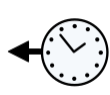

2025

2025

Present: Representatives from FE1, FE2, FE3 and FE4

All students

were

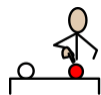

welcomed

to the meeting

and

this

terms

focus

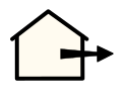

was

re-introduced

Learning

Outside the Classroom

(LOtC).

Students

shared

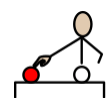

a

combined

timetable

that

demonstrates

range

of LOtC

learning

we

do

in

the

FE

department.

We

recapped the

types

of LOtC

we

currently

do

in

the

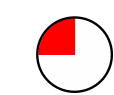

FE

department,

these

included...

Going to

college,

Work experience

at

Broomhill

Park,

Going to

the

school

farm,

Volunteer

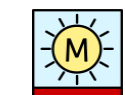

work,

Tennis Club

on

Monday's

with

Jim,

Offsite

swimming

at

Cozenton

Park

and

Duke of Edinburgh.

We

then

spoke

about

LOtC

ideas

that

we

might

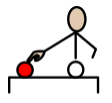

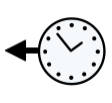

like

to

explore

 more of in order to develop our LoTc provision within the FE

 department. The ideas that were suggested included - an outdoor reading

 area, an outdoor planting area, attending a youth club and expanding our

 educational visits.

 Next Steps =

 Students to run an FE Enterprise Event to help raise funds and

 work collaboratively with parents to help develop a sensory garden area.

 Stuednts to begin attending a youth club activities session at Parkwood

 Youth Club. Students to begin to think about the development of a new FE

 playground that can incorportae more LoTc activites for during lesiure time.
