**Present: Santino, Jack N, Lara, Rayleigh, Chantelle, Danila, Jack W and Charlotte.**

All

students

were

welcomed

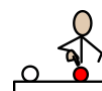

to the

meeting

and

this

terms

focus

was

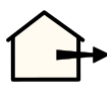

introduced

-

Learning

Outside

the

Classroom (LOtC).

Laura

explained

what

LOtC is

+

and as a group

we

explored

the LOtC's

website

and

learnt

that it is a

charity

that

champions

for learning

beyond the

classroom

walls,

to ensure

more

children and young people

have

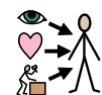

opportunities

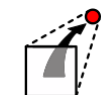

for life-changing

learning

experiences

beyond

the classroom, whether

these

happen

indoors

or

outdoors,

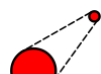

close to

home

or

far

away.

Then we explored ideas of what types of LOTC we currently do

in the FE department. We decided that we are very fortunate

in FE and get to do lots of LOTC already. Things we spoke

about included...

•Going to college

•Work experience at Broomhill Park

•Going to the school farm

•Volunteer work

•Tennis Club on Monday's with Jim

•Offsite swimming at Cozenton Park

•Duke of Edinburgh

•Residential

•Educational Visits

We

briefly

spoke

about

LOtC

ideas

that

we

might

like

to

explore

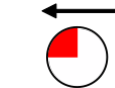

more

of

which

included

going to

more

cafes,

places of worship,

libraries

+

and museums.

As a

group

we

said

how much

we

like

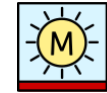

having

Tennis club

on

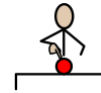

a Monday

+

thought about

what

other

lunch time

/ leisure

clubs

we

could

do

that

supports

LOtC

+

and

Charlotte

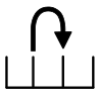

wanted

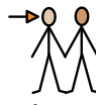

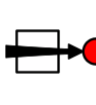

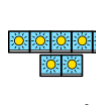

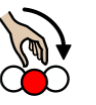

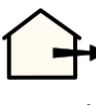

a Rugby

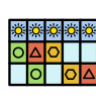

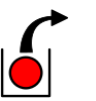

club!

  Each pathway to create a timetable recording how many LOTC

 activities/tasks  they  complete  across  a week,  try  to think  outside

 the box!  A blank timetable  will  be  sent  out  with  these  minutes.

 Please  note  down  the  activities/tasks  you  complete  and  think about

 which  subject  or  subjects  you  are  learning  about  during  your  LOTC

 sessions.

e.g.  - Monday  you  go to  the  Farm  and  the  subject  focus

 was Science  and  and  PSHE.  Then  Thursday  you  went to  Strood

 Library  and  the  focus  was  English:  Reading.
