If you are considering a career working with SEN children, or have some time to spare during the week and would like to work with children and young adults, Abbey Court would enjoy having you lend a hand. Maybe you would like to get involved with the hydrotherapy sessions, provide one-to-one reading support, or join in with classroom-based activities - there is something for everyone!

The school is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. Any offer of appointment for post is subject to a satisfactory Disclosure Barring Service certificate.
